

# What is the Thriving Colorado Dashboard for Northwest Colorado?

Grand | Jackson | Moffat | Rio Blanco | Routt

Wellness is tough to navigate.

Think of this as the map, compass, and guidebook that will help our individuals, families, organizations, and communities find their path

to thrive.

## Dashboard Components

### Focus Areas

These are the broad topics that help organize our desired outcomes. We can choose up to 7 for our region.

Each focus area will have a Strategy Map

Each strategy map will have its own Scorecard

	Goal	Our score
to compare desired goals...	😊	😊
with measured outcomes...	😊	😞
and chosen action steps.	😊	75%

While the Strategy Maps are regional and static, data on Scorecards can be county-specific, and track changes over time.

Finally, action steps will be linked to Community Resources

This index may include:

Organizations

Programs

Events

Projects

Foundations

...all dedicated to achieving desired outcomes.

Goals

Action

Measurement

Accountability

We ❤️ data!

Our scorecards will be built using existing results from reliable national, state, and local sources:

- US Census
- American Community Survey
- National Center for Health Statistics
- Behavioral Risk Factor Surveillance System
- Dept. of Public Health and Environment
- Dept. of Education
- Dept. of Human Services

- Public Health Improvement Plans
- Community Needs Assessments
- Healthy Kids Colorado Survey
- Data from local businesses and organizations

and many more!

## Frequently Asked Questions

Who chooses focus areas, desired outcomes, and strategies for our region?

This task is left up to the Dashboard Advisory Team, which is comprised of community & organization representatives. Choices are based on community data reflected in current reports.

Interested in joining the team? Commitment is flexible with online meetings & communication. Email [svalentino@nchealthpartnership.org](mailto:svalentino@nchealthpartnership.org) for more information!

Who will have access to the dashboard, and will there be a fee?

The Thriving Colorado Dashboard for Northwest Colorado will be a PUBLIC online tool. Access will be free for viewers and those listed as resources.

What is the long-term vision?

This multi-purpose tool will support collective impact efforts by:

- Helping community members navigate services
- Providing reliable data for grant writing
- Connecting like-minded organizations
- Helping to identify gaps in service
- Providing a common agenda for community development
- Offering shared measurement
- Supporting mutually reinforcing activities
- Ensuring informed decision making
