

WE STAND BY THESE VALUES!

*Built upon our **COMMITMENT TO EXCELLENCE** foundation, we desire the very best for our regional community and pledge to give our best efforts in that pursuit.*

Our Organizational Values are:

- ✓ **Person-centered.** We put individual persons at the center of all we do because we recognize people as experts and believe the solutions lie within our community members.
- ✓ **Collaborative & Inclusive.** We believe that it takes all of us working together to create a healthy community and that we all are responsible for creating and supporting the regional community. We include all people of ages and ethnicities from within our region and value their unique thoughts, ideas, and experiences.
- ✓ **Transparent.** Through transparent and consistent communication, we strive to create a collaborative and inclusive process that supports innovation for a health delivery system that informs and engages diverse groups.
